**Why Join ETA?**  
ETA, established in 1949, is the oldest and biggest professional associations representing teachers and education personnel in Ethiopia. Its main objectives are:

- Ensure the rights, benefits and social welfare of its members
- Contribute its share in the efforts geared to back up the education sector
- Work towards promoting democracy and development of the nation
- Work in collaboration with national and International relevant organizations who have common objectives.

The world of tomorrow depends on how effectively and efficiently the teachers and education personnel of today work with students. In order to make positive change in the lives of nations, nationalities and peoples of Ethiopia, let’s work together.

Teachers, Education personnel and honorary members; let’s come together to make a difference!

Employees in the profession, to be more competent and efficient in your work, you need to develop your professional skills continuously. For this purpose, join ETA.

Teachers! join in hands to defend your rights and benefits and for the development of our country as a whole.
