General Assembly of the Ethiopian Teachers Association was held from Nov. 11-12/2016 in the same city but in a different hall due to the increased number of participants to the Congress. The Congress was held in a well furnished Amhara Regional State Council meeting hall which is nearby Lake Tana, the main sources of Blue Nile. In addition to regional and city administrative members of the General Assembly, Federal government’s invited guests, regional government representatives, Confederation of Ethiopian Trade unions, Education International Africa Region Committee chair person and General Secretary of Kenya National Union of Teachers (KNUT) and some others were all together in the meeting hall.

HE Dr. Tilaye Gete, State Minister for General Education of the Federal Ministry of Education, opened the Congress.
The 29th Annual Council meeting and 21st General Assembly of Ethiopian Teachers Association held

In his speech, Dr. Tilaye said that it is the exact time that Ethiopian Teachers Association is expected to show its influential power to stabilize teaching-learning process in order to ensure sustainable development in Ethiopia which also ensures quality education at all levels.

After his opening speech, Mr. Wilson Sossion, chair person of Education International Africa Region Committee and Confederation of Ethiopian Trade Unions deputy president have delivered their solidarity massages.

Ethiopian Teachers Association's four years performance activities-accomplishments and challenges encountered were reported to the Congress. The General Assembly has thoroughly discussed on the report and approved it with some amendments.

In the course of the congress meeting, six selected agenda which were also discussed in the Council were presented to the Congress for further discussion and endorsement.

The congress appreciated the success ETA has made in increasing the career ladder level of teachers from seven to nine making the level equal to those of other civil servants, and be able to come up with a scheme which enables provision of housing for teachers. The congress also thanked the government for it recognized teachers' questions and gave positive response.

Among the discussed agenda were that members of the Congress have reached on a historic decision, i.e., Congress participants unanimously decided to contribute their one month salary for the purpose of ETA headquarters and regional branch office buildings to be effective from July 2017. This would serve as an example to convince members to do the same since it is just walking the talk.

Finally Generally Assembly elected ETA executive and Audit committee members who will serve for the following four years at headquarters according to ETA's, election rule of procedure. The elects were:

1. Mr. Yohannes Benti President, from Oromia region
